On a separate sheet of paper please take a few minutes to type a brief paragraph about yourself. It would be very helpful if you included information about why you are interested in international cyberspace mentoring. Feel free to add a personal touch such as your interests in South Africa, the Caribbean, etc. Along with some information from this application your paragraph will be what the new teachers will see as they select mentees. The more of an educational generalist you are the greater the chances of being selected.

Please send completed application to:
